**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have switched over to Sonic fiber internet from Comcast internet. The fiber service is cheaper and much faster. I think competition is great for consumers like us.

Having just big companies dominate the market will lead to higher prices and less service. Internet has become an essential service to all people, so we need to open up the market to all competition to allow for better choices.
